14ER FEST 2025 SPONSOR INFORMATION

14er Fest is ready to deliver another action-packed event this year, September 26-28th, 2025 in Buena Vista, Colorado! Hikers, Mountain Bikers, Trail Runners, Off-Roaders, and Fly Fishers are joining together for year four of this highly anticipated celebration of Colorado's renowned peaks and trails.

GOALS & MISSION

Our Mission Statement: 14er Fest is an adventurous mountain festival that unifies all trail-based recreation groups. 14er Fest promotes trail stewardship, education and interaction between users. The event provides a safe and fun opportunity for locals and visitors to experience Buena Vista in the fall.

14ER FEST GOALS

- To create an event that draws locals and visitors to BV, to experience the best of fall in the Rocky Mountains.
- To promote stewardship, responsible trail usage and Leave No Trace ethics to a captive audience.
- To foster engagement of individuals and organizations that span **ALL** trail users and to help promote the cross pollination of trail-based recreation groups.
- To create an event that provides a boost in visitation and revenues for local businesses.
- To shift the paradigm that BV is only a "summer destination" by providing opportunities for locals and visitors to experience BV during another stunning season.
- To help provide funding and awareness for local trail adoption groups.

EXPOSURE

At the 2025 14er Fest, we anticipate over 1,600 participants that span across motorized and non-motorized recreational groups and comprise a wide user-group demographic.

BENEFICIARIES

Event proceeds will benefit Colorado trail coalitions: The Chaffee County Search and Rescue North, The Buena Vista Singletrack Coalition, and the Colorado Off Road Enterprise.

YOUR SUPPORT

14er Fest is driven by our sponsors' support, and we want to warmly invite you to help make this year's festival a huge success with your participation and monetary sponsorships. Your support also directly helps the town of Buena Vista!
